ORDER

15 CR 05-2 (VB)

The above-captioned case, in which there is a pending violation of supervised release (“VOSR”), has been reassigned to the undersigned. The VOSR is based, at least in part, on the conduct charged in a separate case involving this defendant, under docket number 19cr700-2 (VB). In case number 19cr700-2 (VB), Mr. Dabbs has pleaded guilty and sentencing is scheduled for March 29, 2021, at 2:30 p.m.

The Court will conduct a status conference in the VOSR matter at the same date and time as the sentencing in case number 19cr700-2. To ensure that these two cases are managed efficiently, counsel shall submit a joint letter advising the Court as to the status of the VOSR matter by no later than March 24, 2021. Specifically, counsel shall advise the Court whether defendant intends to admit to the specification charging the same conduct to which he has pleaded guilty in 19cr700-2, or to any other specification. If that is the case, the Court intends to allocute defendant on the VOSR on March 29, 2021, and if appropriate, sentence him on the VOSR at the same time he is sentenced on 19cr700-2.
